JOINT STIPULATION

It is herein requested by all counsel that the telephonic status conference for the above captioned cases be continued until Monday, February 2, 2009 at 3:00 p.m. The stated reason for the status conference was to determine a test case for trial. Although all parties have been diligent in attempting to complete discovery, the depositions of the plaintiffs have not been taken.

The parties do not want to unduly take up Your Honor's time, as until the depositions of the plaintiffs have been taken, there can be no meaningful discussion on which plaintiff's case should be the test case for trial.
